BOOTHE
EYE CARE & LASER CENTER
Where the patient is #1

It's true, you can have Lasik for a little more than a dollar a day from Dr. Boothe, the most experienced IntraLASIK surgeon in the world. He will beat any price for custom IntraLASIK using the same technology and warranty period. Consider how much you've spent on glasses and contacts. Just imagine how much time and money you'll save after you get safe and affordable custom IntraLASIK at Boothe Eye Care and Laser Center. Ask about a payment plan with zero percent interest for two years. Choose the surgeon who has done more IntraLASIK than anybody in the world. Call 214 328 0444. Boothe Eye Care and Laser Center, where the patient is number one.

William A.
Boothe, M.D.

**Official Ophthalmologist
of the Dallas Cowboys**
